**STATEMENT BY BARBARA VILLANI**

ASSISTANT COMMISSIONER FOR PATENTS  
Washington, D.C. 20231

S I R :

Barbara Villani declares that she is secretary to Douglas Holtz, the attorney handling the above-referenced application.

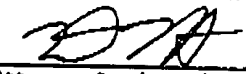

On November 16, 2001, I, Barbara Villani, prepared an Express Mail package containing the above-identified patent application bearing the Express Mail Label No. EV 044 466 241 US and addressed to the Assistant Commissioner for Patents, Washington, D.C. 20231-9998. This Express Mail Label No. EV 044 466 241 US appears along with my certification of the date of deposit as an Express Mail mailing label on the front of the application transmittal letter and Information Disclosure Statement, which have been delivered to the Patent Office.

The Express Mail package containing the above-identified application was, in fact, picked up by the U.S. Postal Service as evidenced by the receipt signed and dated by the U.S.P.S. employee on November 16, 2001. A copy of this receipt is attached hereto.

The Express Mail package was returned by the U.S. Postal Service with a label indicating that Express Mail service was

temporarily suspended. A copy of said label is enclosed and bears a date of November 17, 2001.

I then sent the unopened envelope (along with a number of other similarly returned envelopes) to Ms. Lisa Zumwalt of Berlin & Associates of Arlington, Virginia by Fed Ex, with a request that they be hand carried to the U.S. Patent & Trademark Office. The unopened envelope was in fact delivered to the U.S. Patent & Trademark Office by Berlin & Associates.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001, of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
